

CUTLER AND GROSS

THE GREAT FROG

Q3. COLLECTION

OPTICALS

001

52 □ 18 - 145

Available only as a sunglass in our first collection, this style is now available as an optical this season. Still seamlessly blending the distinctive design language of The Great Frog with our own.

This large optical features the same Reaper emblem detail which is hand cast in solid British 925 Sterling Silver.

- Handmade in Italy
- Hand cast 925 sterling silver Reaper temple detailing
- Semi-precious Ruby Zirconia detail
- Custom chain temple core
- New 7 bar hinges
- New torque screw

53 □ 20 - 150

Our current 9772 frame which served as the base for Crossbones is currently one of our bestselling models, originating from a style group that was first created in 1985.

The 925 Sterling Silver crossbones detailing, taken from The Great Frog's logo, sits on the redesigned temple which is thickened at the hinge for both a bolder silhouette and improved stability.

Introducing the new split colourway Leopard on Black now available for this frame.

- Handmade in Italy
- Hand cast 925 sterling silver Reaper temple detailing
- Semi-precious Ruby Zirconia detail
- Custom chain temple core
- New 7 bar hinges
- New torque screw

SUNGLASSES

001

52 □ 18 - 145

Lending its silhouette from our bestselling 1369, The Reaper perfectly blends the distinctive design language of The Great Frog with our own.

This smaller square sunglass - the lens size reduced to 52mm from the 54mm optical version - features the same Reaper emblem detail which is hand cast in solid British 925 Sterling Silver.

New colourways this season include a custom leopard-print acetate, and our signature translucent Granny Chic fitted with gradient green lenses.

- Handmade in Italy
- Hand cast 925 sterling silver Reaper temple detailing
- Semi-precious Ruby Zirconia detail
- Custom chain temple core
- New 7 bar hinges
- New torque screw
